

BASUAH Ambassador Sign-Up Form

Who can be a BASUAH Ambassador

A BASUAH Ambassador is a peer educator – someone from within a group (such as a social or age group), who can deliver information that is understood, accepted, and acted upon by members within the group. Peer Educators are sensitive to community norms, values, cultural beliefs, and traditions. They are trusted by the group they serve and act as role models to the clients they serve.

Responsibilities:

- Serve as BASUAH Ambassador for the Illinois Department of Public Health.
- Take a required IDPH online BASUAH training course.
- Conduct Outreach activities in one or more of the following ways:
 - *Promote and reinforce safe behavior by providing health education information to persons who are at high risk for HIV infection.*
 - *Distribute risk reduction information and materials throughout the community.*
 - *Facilitate meetings/workshops on HIV/AIDS Awareness and provide information on available Testing and Counseling Centers.*

For additional information, contact the Illinois Department of Public Health at 217-524-6817.
